The University Mace and Batons

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who are serving as marshals.

Marshals' Gowns

The gowns worn by the marshals are of the traditional University color, cardinal red.

Honor Stoles

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (*cum laude*) and white represents High Honors (*magna cum laude*). White stoles with cardinal and white cords represent Highest Honors (*summa cum laude*).

Academic Regalia

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture	Maize	Medicine	Green
Architecture	Blue Violet	Music	Pink
Arts and Letters	White	Nursing	Apricot
Business and Bus. Admin.	Drab	Pharmacy	Solid Green
Economics	Copper	Philosophy	Royal Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration	Peacock Blue
Fine Arts	Dark Brown	Public Health	Salmon Pink
Forestry	Russett	Science	Gold
Human Environmental Sciences	Maroon	Social Science	Cream
Humanities	Crimson	Social Work	Citron
Journalism	Crimson	Speech	Silvery Gray

The University Song

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, 1906, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

Alma Mater

Pure as the dawn on the brow of thy beauty
Watches thy soul from the mountains of God
Over the Fates of thy children departed
Far from the land where their footsteps have trod.
Beacon of Hope in the ways dreary lighted;
Pride of our hearts that are loyal and true;
From those who adore unto one who adores us—
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward
Proud of our place in the vanguard of Truth,
Will sing unto thee a new song of thanksgiving—
Honor to God and the Springtime of Youth.
Shout for the victory or tear for the vanquished;
Sunshine or tempest thy heart is e'er true;
Pride of the hills and the white-laden Lowlands—
Mother of Mothers, we kneel unto you.

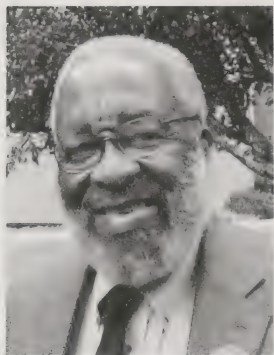

Ever the Legions of Sin will assail us,
Even the Battle in Cities afar;
Still in the depth will thy Spirit eternal
Beckon us on like a piloting Star.
Down the dim years do thy dead children call thee,
Wafted to sleep while the Springtime was new;
We, of the Present, thy Hope of the Future—
Mother of Mothers, we pray unto you.

The University Seal

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on campus.

HONORARY DEGREE RECIPIENT

VINCENT GORDON HARDING

Honorary Doctorate of Humane Letters, L.H.D.

Vincent Harding worked alongside Dr. Martin Luther King Jr. in the non-violent struggle for civil rights in America during the 1950s and 60s. He created the original draft for Dr. King's 1967 speech opposing the Vietnam War. Harding remains an inspiring voice for freedom and non-violence. In 2011 he joined His Holiness the Dalai Lama and Sister Helen Prejean at the University of Arkansas to discuss "The Many Paths of Non-violence."

Harding's own path began in 1953. He was serving in the U.S. Army when he realized he was a conscientious objector to war. After his discharge he became associated with the Mennonite Church in Chicago.

Harding was traveling through the south as part of an interracial Mennonite pastoral team when he met Dr. King in 1958. King urged him to move south and join the civil rights movement.

Harding and his late wife, Rosemarie Freeney, moved to Atlanta in 1961, working with Dr. King in the struggle for civil rights. The Hardings also established Mennonite House in Atlanta, a center to study, discuss and embody non-violence and the civil rights movement.

Harding was committed to education as well as to non-violence. He ultimately earned a doctorate in history from the University of Chicago in 1965 and began teaching history at Spelman College in Atlanta.

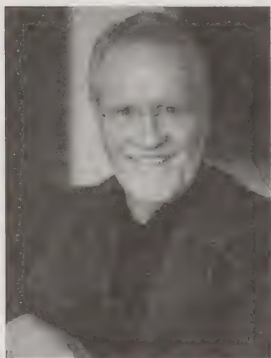

After Dr. King's assassination in 1968, his widow asked Harding to help organize the Martin Luther King Memorial Center, where he served as the center's first director. He left Spelman, but helped develop and direct The Institute of the Black World, a model for the black studies movement then emerging in America.

In 1974, Harding and his family moved to Philadelphia, where he taught at the University of Pennsylvania and Temple University. He joined the faculty of the Iliff School of Theology in Denver in 1981 and taught there for 23 years. He is currently Professor Emeritus of Religion and Social Transformation.

Harding has written many books on the African American struggle for freedom, including *There is a River: The Black Struggle for Freedom in America* (1981). In 1986 he served as senior academic adviser for the PBS documentary *Eyes on the Prize*, an award-winning account of the civil rights movement.

Harding and his late wife co-founded the Veterans of Hope Project in 1997 to film and share the stories of women and men who have devoted themselves to the work of compassionate social change.

HONORARY DEGREE RECIPIENT

W. STEPHEN SMITH

Honorary Doctorate of Arts and Humane Letters, D.A.H.

William Stephen “Steve” Smith was born and grew up in Corning, Ark., and received his bachelor’s degree from Harding College. He earned a Master of Music degree from the University of Arkansas in 1975 and a Master of Performing Arts degree in opera from Oklahoma City University in 1981.

Smith has had a distinguished career as an artist, performing more than 40 roles in opera and musical theatre. He is best known in the music world, however, as an innovative voice teacher.

During his 36-year career as a voice instructor Smith has developed a revolutionary approach to the way that voice students are taught to sing. Traditional voice instruction focuses on the techniques required to produce a beautiful, full volume sound, with creativity a secondary concern. Smith’s innovation is to take each singer’s unique physiology into account and allow them to develop the freedom to communicate expansively, spontaneously and creatively — producing a full and beautiful sound without having to continually monitor technique while performing.

“I know of no other voice teacher who has devised a technique of singing where every element promotes authentic self-expression,” said Claudia Friedlander, a professional opera singer, voice teacher and one of Smith’s many students. “Steve instills his students with the courage to allow their personality to flow uncensored through their singing, to share their feelings and creative impulses. He is truly concerned first and foremost with helping his students achieve fulfillment and self-realization through their singing.”

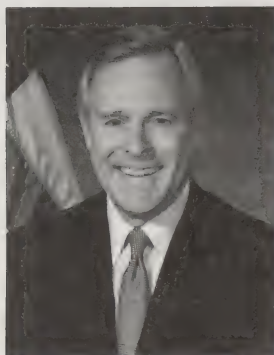

Smith distilled and explained his teaching method in his book *The Naked Voice: A Wholistic Approach to Singing*, published in 2007 by the Oxford University Press. It is currently in its sixth printing and is considered a seminal work on the subject.

Smith has taught voice at a wide number of institutions during his career, including Oklahoma Christian College, Moore’s School of Music at the University of Houston, the Houston Grand Opera and Aspen Music Festival. He has also taught students in his private studios. In 1998 he joined the faculty of the Juilliard School, where he taught for 13 years. In 2011 he became a professor of voice and opera at the Bienen School of Music at Northwestern University.

Smith has dozens of former students who are performing professionally at the major opera houses around the world.

He received a Distinguished Alumni Award from the University of Arkansas in 1999.

COMMENCEMENT SPEAKER

RAY MABUS

Secretary of the Navy

Ray Mabus is the 75th U.S. Secretary of the Navy, leading America's Navy and Marine Corps. He is responsible for almost 900,000 people, more than 400 ships, and an annual budget of over \$150 billion. He was appointed by President Barack Obama in May, 2009.

The Secretary of the Navy is responsible for conducting all the affairs of the Department of the Navy. Additionally, he oversees the construction, outfitting, and repair of naval ships, equipment and facilities, and

is responsible for the formulation and implementation of policies and programs that are consistent with the national security policies and objectives established by the President and the Secretary of Defense.

In June 2010, President Obama asked Secretary Mabus to prepare a long-term recovery plan for the Gulf of Mexico in the aftermath of the Deepwater Horizon oil spill. His report "America's Gulf Coast: A Long-Term Recovery Plan After the Deepwater Horizon Oil Spill" was released in September 2010 and was met with broad bi-partisan support.

Secretary Mabus grew up in Ackerman, Mississippi, and received a bachelor's degree from the University of Mississippi, a master's degree from Johns Hopkins University, and a law degree from Harvard Law School.

Mabus began his public career as an officer in the U.S. Navy aboard the cruiser U.S.S. Little Rock. He served as State Auditor of Mississippi from 1984-88, and in 1987 he was elected Governor, becoming the youngest governor of Mississippi in more than 100 years. As governor he stressed education and job creation. His administration passed one of the most comprehensive education reform programs in America, and he was named one of Fortune Magazine's top ten education governors.

Mabus was appointed Ambassador to the Kingdom of Saudi Arabia by President Clinton in 1994. During his tenure as Ambassador, Saudi Arabia officially abandoned the boycott of United States businesses that traded with Israel.

Mabus served as Chairman and CEO of Foamex from 2006-April 2007, leading this large manufacturing company out of bankruptcy in less than nine months, paying all creditors in full and saving equity.

In the course of his career Mabus has received the U.S. Department of Defense Distinguished Public Service Award, the U.S. Army's distinguished Civilian Service Award, the Martin Luther King Social Responsibility Award, the National Wildlife Federation Conservation Achievement Award, the King Abdul Aziz Award from the Kingdom of Saudi Arabia, and the Mississippi Association of Educators' Friend of Education Award.
